

## **15% Discount for GWPTPN Members from Daniel Wood Associates**

**We are offering all GWPTPN Members a discount across all of our services of 15% on our standard prices.**

### **Introduction to our Services**

We offer a full range of Equality & Diversity related training, consultancy, support and guidance. Below are a range of examples of our services; please contact us for information with regard to any requirements you may have in the area of Equality & Diversity.

### **Equality & Diversity 'Health Check' includes:-**

- Review and updating of current Equality & Diversity Policy to ensure compliance with legislation and sector good practice.
- Review of learner monitoring arrangements with recommendations for improvement/development.
- Review of employment monitoring arrangements with recommendations for improvement/development.
- Review of all organisational policies to ensure Equality & Diversity compliance (i.e. reviewing all policies other than the Equality & Diversity Policy to ensure compliance with Equality & Diversity legislation and good practice)

### **Ongoing Support includes:-**

- Attendance and advice at quarterly internal Equality & Diversity Committee meetings/Management Team meetings.
- Provision of ongoing advice and guidance as required.

### **Training - examples include:-**

- Equality & Diversity Awareness Training for Staff
- Equality & Diversity Training for Managers
- Addressing Bullying and Harassment Training for Staff and Managers
- Equality Act 2010 Training
- Disability Equality Training
- Bespoke Training covering issues of your choice, for example, covering Equality & Diversity in Apprentice Reviews.

### **E-Learning:-**

- Equality and Diversity Awareness Training delivered via E-Learning. GWPTPN Members have the opportunity of taking up to 5 user-licenses for this training (worth £200) free of charge. This will enable you to train 5 members of staff whilst at the same time evaluating the appropriateness of the package for any further staff requiring this training in your organisation.
- Bespoke E-Learning Packages are designed and developed to meet your own specific requirements.

### **Consultancy/Projects/Other:-**

- Work in relation to any Equality & Diversity related issue, project, objective etc.
- Advice and guidance in relation to discrimination and harassment cases in the workplace.
